

Adelaide Hills

- Ordering Instructions - Adelaide Hills Visitor Guide 2020-2021

Tourism operators, visitor information outlets and event organisers can order copies of the Adelaide Hills Visitor Guide at no cost through the SA Tourism Commission's contracted distributor winc.

Instructions:

- New users will need to email Christian Rugari from winc at christian.rugari@winc.com.au and request a Username and Password to order SA Tourism Commission brochures. You will need to give your business name and sector (e.g. accommodation, attraction, winery, tour operator, event) so you receive the correct login details.
- Once you have received the above, visit www.winc.com.au
- Type in your Username and Password to enter the site.
- Search for Adelaide Hills and the guide will come up.
- Place your order - note there are 50 copies per box and you are ordering the number of brochures you want, not the number of boxes. For example, if you want two boxes, type in 100.
- If you are having trouble placing your order or have any queries, please contact the winc. customer support team on 13 26 44 or call the account manager Christian Rugari on 8243 8028.

For first-time orders, please start with one box to get a feel for how quickly you will go through them.

For one-off and bulk orders of Visitor Guides (e.g. for a conference), please email the order details to Belinda Gauci from the SA Tourism Commission at belinda.gauci@sa.gov.au (preferably two weeks in advance of required delivery date).
