## TERMS AND CONDITIONS

Artwork and copy for all 1/9th page and 2/9th page sized ads MUST be in the prescribed template format. Only those operators taking 1/3rd page or larger will have creative rights to use their own branding and advertising design if desired (except a template 1/3rd ad). Style guide applies to copy of template ads. Ads with provided artwork (1/3rd page or larger) cannot use the template header. Template ads cannot use artwork, logos or text placed over image/s. Index listings cannot be purchased in their own right – cross promotions can be purchased in addition to an advertisement purchase, and index listings are included as part of an advertisement purchase. It is the responsibility of the advertiser to ensure correct and complete information is submitted to HWR Media, including phone, fax, mobile, email and web addresses. These will NOT automatically be placed in your advertisement. We do not encourage prices to be highlighted in advertisements. If you do include prices, they must be inclusive of GST and include validity dates. Advertising space on the front cover is not available for purchase. It is the advertisers responsibility to ensure they have permission to use supplied photographs. Prime positioning advertising will only be offered to tourism-specific businesses. HWR Media cannot guarantee placement if requested. HWR Media reserve the right to refuse unsuitable advertisements. Proofs that have not been signed and returned by the due date will be omitted from the guide. Star ratings, and QTAB status, where requested for inclusion in the publication, will be verified. Only those with current QTAB membership at the time of booking can claim the discount. Cancellation policy: All bookings cancelled before the booking deadline will be charged at 50%. Cancellations made after this date will be charged the full rate. All invoices are payable within 30 days, unless other terms negotiated. If full payment is not received on receipt of invoice, your advertisement will be removed from the guide before printing.
